Website: www.dowgift.org

Ministry Statement: *“And he said to them, ‘Go into the whole world and proclaim the good news to all creation.’ – Mark: 16:15*

This broken world desperately needs the Good News God has given through the Gospel of Jesus Christ. The Church can deliver that message best when it has competent leadership and adequate resources. Through a sustained gift-planning ministry our diocesan Church, its parishes, schools and organizations will have the resources they need – the legacy of faithful Christian stewards.

Brief Organization Overview: The Diocese of Winona Foundation primarily receives and holds resources that are called its corpus or principal. The corpus is invested and the interest earned funds the ministries and institutions of the Diocese of Winona. It serves the parishes, schools and institutions of the diocese by providing a convenient means to create and build endowments.

The benefits of the Diocese of Winona Foundation for Steward-Donors:

1. Assists the steward-donor in gift-planning focused on returning, “...with increase to the Lord” those gifts that have grown through understanding Christian Stewardship.
2. Possible attractive tax advantages, particularly through estate planned gifts.
3. Potential for lifetime income for the donor, or surviving spouse or an education trust for children or grandchildren through estate planned gifts.
4. A way for donors to ensure that their gifts will continue to give forever.
5. Gifts can be directed to help the Diocese of Winona, or: Donor’s parish, favorite Catholic School, Catholic Organizations, Institutions and Ministries.
