The Foundation for Winona Area Public Schools is a 501(c) 3 non-profit, charitable organization dedicated to providing financial assistance to enhance the educational experience for students in Winona's public schools. It was established in 1991 by a group of caring citizens who held the belief that strong public schools are the backbone of democracy. That belief carries on today with the Foundation's steadfast commitment to enhancing the quality of education in our public schools.

The Foundation's focus is on soliciting charitable funds which are managed and invested in order to make monthly grants to qualifying requests. These grants are targeted to programs and projects that go above and beyond mandated curriculum and enhance the learning that goes on in the classroom.

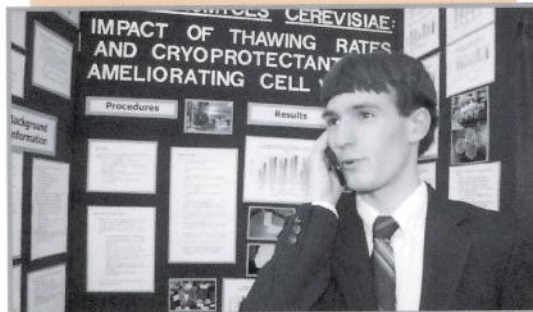

The Foundation also facilitates support to any area of public school education designated by an interested donor. Recent examples of this include the Hopf Fitness Center, the Miller Mentoring Program, the annual Haake Poetry Prize Competition and the Hultgren Art Project.

Donors' gifts have supported....

Programs such as: the Regional Science Fair, Math Masters, Destination Imagination, Project Science, Model Legislature.

Educational field trips to: Minnesota Science Museum, Guthrie Theater, Eagle Bluff Environmental Learning Center, Viterbo Planetarium.

Speakers/conferences such as: Young Authors' Conference, Artist-in-Residence programs, Holocaust Survivor Presentation and National Young Leadership Conference.

Your *Legacy* gift to the Foundation can be made

- ▲ in your will
- ▲ from your life insurance
- ▲ from your 401K or (Roth) IRA
- ▲ with marketable securities
- ▲ in a trust
- ▲ from a donor advised fund
- ▲ with personal property or real estate

Leave a Legacy donors automatically become members of the Foundation's Lowell Nelson Society and are invited to designate their gifts to its endowment.
