We are a youth and family recreational facility serving over 1,000 people daily. Our goal is to instill the YMCA core values of respect, responsibility, caring and honesty into all of our members and participants.

The Mission of the Winona Family YMCA, Inc. is: To provide opportunities for all families and individuals in our community to develop their physical, spiritual, mental, and social well being.

The Vision of the Winona Family YMCA, Inc. is: We build strong kids, strong families, and strong communities.

The Winona Family YMCA is a 75,000 sq. ft. facility with over 4,300 members. We offer over 100 programs from men, women, boys, girls and families. Our policy of "Never Say No" to anyone who needs financial assistance enabled us to scholarship nearly 700 people last year who could not otherwise afford to become involved in the YMCA.
