Our Mission

As individuals and as a faith community, we the people of the Cathedral of the Sacred Heart accept our Baptismal call to discipleship, continuing Christ's saving work in the world by proclaiming and living His Gospel message.

- ◆ Cathedral of the Sacred Heart is the spiritual home for approximately 2,097 members. We are blessed with an intergenerational membership: nearly 25% of parishioners are under the age of 35; approximately 30% of members are age 36 to 55, and 45% are 55 and over. Our lay professional ministry staff includes a pastoral associate and director of liturgy and music.
- ◆ Cathedral is a welcoming community, open to all, respecting and celebrating diversity. We provide a supportive environment with many and varied opportunities for growth in relationship with Christ and others.
- ◆ Cathedral of the Sacred Heart parish recognizes that each person has unique God-given gifts and talents and encourages responsible stewardship, the sharing of those gifts and talents in service to God and one another. We are thankful to those who so generously remember Cathedral parish when establishing estate planning and those who engage in charitable giving.
